ADDENDUM NO. 1

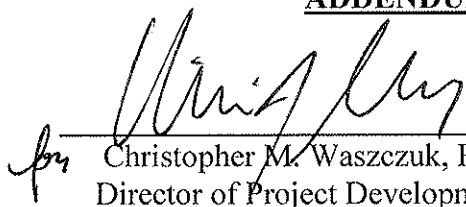

Bidders are hereby advised to make the following revisions to the Proposal:

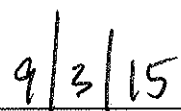

1. **Amend**, on page 107, in the Special Provision for Items 616.71__ - LED Signal Head Lenses, Section 1.1 to read as follows:

 1.1 This work shall consist of furnishing and installing light emitting diode (LED) red, yellow, green, or bimodal yellow/green of either ball or arrow type lenses in existing signal heads to replace existing deficient LED or incandescent indications **or in new signal head installations**.
2. **Amend**, on page 108, in the Special Provision for Items 616.71__ - LED Signal Head Lenses, Section 5.1 to read as follows:

 5.1 The accepted quantity of LED Signal Head Lens (ball or arrow) will be paid for at the Contract unit price per each by color; red, yellow, green, and bi-modal. Payment shall be full compensation for the removal and disposal of the existing LED or incandescent indication and for furnishing and **installing new LED indications**. The price shall also include furnishing all labor, tools, hardware, materials, equipment, transportation, guaranties/warranties, and incidentals necessary to provide a complete operational installation.
3. **Delete** Section 1.2 on page 112, in the Special Provision for Items 616.73__ - Signal Head with Retroreflective Backplates.
4. Bidders are hereby advised that the Excel version of the *Inventory Matrix* spreadsheet found on pages 21 through 26 is available on-line in the project's Proposal Package (the *MUTCD Compliance Issues* column has been excluded for this post, but is still applicable).

**THE CONTRACTOR SHALL ACKNOWLEDGE THIS
ADDENDUM ON THE BID ENVELOPE**

for Christopher M. Waszczuk, P. E.
Director of Project Development
